

MATEO HOMPS

Frontend Developer · JavaScript · React (in training) · MERN Stack (in progress)

Tandil, Buenos Aires, Argentina · +54 9 2494-326830 · hompsmateo@gmail.com

PROFESSIONAL PROFILE

Self-taught frontend developer and student of a Technical Degree in Application Development (TUDAI, UNICEN), with solid foundations in HTML, CSS, and JavaScript. Currently completing a full JavaScript course (Jonas Schmedtmann, Udemy), followed by React and a Node.js/Express/MongoDB backend course, targeting a fullstack MERN profile in the short term. Strong track record of fast, independent learning, remote collaboration, and problem-solving. Actively seeking remote opportunities with international teams.

TECHNICAL SKILLS

Web Development

- HTML5 / CSS3 — Intermediate-Advanced (responsive layouts, Flexbox, Grid, animations, BEM)
- JavaScript (ES6+) — Intermediate (DOM manipulation, fetch API, async/await, modules; Schmedtmann course in progress)
- React — In training (next course)
- Node.js / Express / MongoDB — In training (planned MERN path)
- Python — Beginner
- SQL — Beginner

Tools & Environments

- Git & GitHub — Intermediate (version control, public repositories)
- Linux (Linux Mint) — Terminal proficiency, development environment setup
- VS Code — Advanced environment configuration
- Slack — Intermediate
- Office Suite / G Suite — Basic

Languages

- Spanish — Native
 - English — Intermediate B2 (fluent technical reading, written and spoken communication)
 - Portuguese — Beginner
-

WORK EXPERIENCE

Esports Manager | Solar Breath Gaming · Love 4 Gaming · NewEra EC 2022

- Organized competitive tournaments and coordinated team training sessions (scrims).
- Recruited, evaluated, and selected players for competitive rosters.
- Drafted contracts, commercial proposals, and official communications in English and Spanish.
- Led fully remote, distributed teams — coordinating schedules and performance goals under high-pressure deadlines.

Receptionist | Paula Ribas Veterinary Clinic 2019 – 2024

- Managed front-desk operations: customer service, sales advisory, and appointment scheduling.
- Handled cash transactions and daily reconciliation.
- Coordinated professional agendas in a high-demand clinical environment.
- Assisted in consulting rooms and managed inventory restocking.

EDUCATION

Technical Degree in Application Development (TUDAI) | UNICEN – National University of Central Buenos Aires Province 2019 – 2025

University-level program covering algorithms, databases, OOP, and web development.

High School Diploma — Natural Sciences | Ayres del Cerro High School 2013 – 2017

ADDITIONAL TRAINING

- The Complete JavaScript Course 2024 (Jonas Schmedtmann, Udemy) — In progress
- Next: React — The Complete Guide (Maximilian Schwarzmüller, Udemy)
- Next: Node.js, Express, MongoDB & More: The Complete Bootcamp (Jonas Schmedtmann, Udemy)

PROJECTS & PORTFOLIO

Portfolio: [Mateo Homps | Portfolio](#) · GitHub: github.com/your-username

Upcoming: vanilla JS projects, React applications, and a Node.js REST API — added as each course is completed.
